

Equipment Purchase Terms and Conditions

The following terms and conditions ("Terms and Conditions") apply to individuals and entities ("Customers") purchasing equipment to access satellite services, including, but not limited to Starlight, Thuraya, Inmarsat, Iridium and/or other satellite services which may be offered by TrustComm, Inc., and TrustComm Solutions LLC ("TrustComm").

1. Equipment to be Sold to Customer

- (A) These Terms and Conditions, TrustComm's approval of a Customer credit application, if required by TrustComm ("Subscriber Application"), availability of the equipment requested by and Customer's written acceptance of a TrustComm quotation, when taken together, will govern the sale by TrustComm of equipment to Customer. There are no other agreements (oral or implied), warranties or understandings between TrustComm and Customer with respect to the sale of equipment to Customer under these Terms and Conditions.
- (B) In the absence of a quotation signed by Customer, Customer's verbal instruction or issuance to TrustComm of a purchase order, work order, work ticket or other form of written order on Customer's standard form (collectively "Purchase Order(s)") will constitute Customer's acceptance of a TrustComm quotation.
- (C) All future orders for equipment will be governed by the Terms and Conditions in effect on the date of order, unless otherwise agreed in writing. Future orders will be subject to TrustComm's acceptance, which may be withheld for any reason or for no reason.
- (D) Customer understands and acknowledges that the obligations of TrustComm and the sale of equipment under these Terms and Conditions is subject to the terms of the agreements with its suppliers ("Suppliers") under which TrustComm purchases the equipment from Suppliers (each an "Other Contract"). To the extent fulfillment of any obligation under these Terms and Conditions is not permissible or possible under an Other Contract, the Other Contract will prevail and such obligation will be suspended or modified to the extent required by the Other Contract. TrustComm shall use commercially reasonable efforts to notify Customer in advance of a suspension, modification or discontinuation of any equipment, but TrustComm may nevertheless modify or discontinue sale of any equipment at any time without notice or liability. TrustComm represents and warrants that it is not presently aware of any material respect in which these Terms and Conditions are inconsistent with an Other Contract.

2. Quote/Ordering Procedure

Customers may obtain TrustComm's current equipment price(s) or submit an order as follows:

- (A) by calling TrustComm Customer Support at +1-877-340-8524, or
- (B) via TrustComm's worldwide web site at www.TrustComm.com (the "web site") . Any order(s) placed for equipment via the web site is subject to these Terms and Conditions.

3. Customer Purchase Orders

Any Customer Purchase Order issued to TrustComm in connection with ordering equipment will be treated as an administrative document only and will not add to, delete from, or change any of these Terms and Conditions. Customer agrees to waive any future challenge to the enforceability of any purchase order on the basis that such purchase order was made and or confirmed by electronic means.

4. Equipment Price, Taxes, and Freight Charges

Customers will be charged TrustComm's then-current price in effect on the date Customer's

order is received or the price in the quotation provided to Customer. Customer will also pay the following to TrustComm: (a) any applicable federal, state, local sales, excise, use or other tax assessment, including VAT or GST where applicable and surcharges or similar charges of any nature levied upon the equipment by any governmental taxation or revenue entity (except for taxes based on TrustComm' income) arising out of or related to the sale, or the use, of the equipment ("Taxes"), and (b) any shipping costs incurred by TrustComm to ship the equipment to the location designated by Customer. If Customer provides TrustComm with an applicable tax exemption certificate, TrustComm will work with Customer to obtain applicable tax exemptions to the extent consistent with applicable law.

5. Payment Terms

- (A) Invoices for equipment will be sent on or after the date of shipment and will include all applicable Taxes and other charges that apply, as known at the time. Additional invoices will be sent as appropriate to address Taxes and other charges which apply but are not determined at the time of initial invoicing.
- (B) Customer must pay all undisputed amounts invoiced within thirty (30) days of the date of the invoice. If any amount is in dispute, Customer must, within the (10) days of the date of invoice, notify TrustComm in writing of the disputed amount and the reason for disputing the invoiced charge. If the disputed amount is resolved in favor of TrustComm, Customer must pay the disputed amount with appropriate late charges, if applicable, upon final determination of such dispute. All disputed amounts resolved in Customer's favor will be (i) credited against amounts owing on subsequent invoices, or (ii) in the event Customer has paid its invoice in full prior to shipment, amounts owing to Customer will be refunded by TrustComm. If no written notice of dispute is received by TrustComm within 10 days of the date of invoice, Customer shall be deemed to have waived its right to dispute charges.
- (C) Overdue payments are subject to a late fee on the unpaid balance of the lesser of one and one half percent (1.5%) per month of the unpaid balance or the highest rate permitted by law. Customer will pay for any and all collection or litigation expenses, including reasonable legal fees, incurred by TrustComm in collecting any late payments or late payment fees.
- (D) Customer may pay for equipment via Master Card, VISA, American Express, or other credit card(s) as TrustComm may accept in its sole discretion.
- (E) TrustComm may require payment of a deposit prior to ordering equipment from its Supplier(s) in such amount as TrustComm, in its sole discretion, reasonable requires as security for the payment of any charges payable by Customer for such equipment. Such deposit shall be applied as a credit on the invoice sent on or after the date of shipment of the applicable equipment.
- (F) TrustComm may require Customer to pre-pay in full for equipment or provide a third party guarantee, letter of credit, or other credit facility deemed by TrustComm, in its sole discretion, necessary to provide adequate assurance of payment. The provision of such third party guarantee, letter of credit, or other credit facility does not relieve Customer of its payment obligations specified herein.
- (G) TrustComm retains a purchase money security interest in the equipment and all proceeds of the equipment, including, but not limited to, insurance proceeds, to the extent such equipment is shipped but not paid for in full. Failure of Customer to pay all charges related to any equipment when due shall give TrustComm the right, without liability, to repossess the equipment, with or without notice or court order, and to avail itself of any legal remedy. Customer agrees to execute and deliver such financing statements and other documentation as TrustComm may reasonable request to perfect and protect TrustComm's interest in such equipment.
- (H) All payments are to be made in United States currency.

6. CANCELLATION OR TERMINATION OF EQUIPMENT

- (A) Customer may cancel equipment prior to delivery. In such event, Customer shall notify TrustComm in writing in accordance with Article 19, Notices, of such cancellation or termination and shall reimburse TrustComm for all costs incurred by TrustComm up to and including the date TrustComm receives such written notice plus an administrative fee equal to fifteen percent (15%) of such incurred costs.
- (B) TrustComm may terminate the sale of equipment without liability: (a) immediately upon written notice if TrustComm is prohibited from furnishing the equipment by any applicable government authority; (b) upon thirty (30) days written notice if a change in any applicable law or regulation materially increases TrustComm's cost to provide equipment, or (c) in the event that an Other Contract for the purchase of equipment expires or is terminated, provided that termination will only be with respect to the equipment provided pursuant to that Other Contract.
- (C) TrustComm may terminate the sale of equipment without liability if Customer commits any action or makes any representation related to TrustComm that is not expressly authorized by these Terms and Conditions or in the event that Customer breaches these Terms and Conditions; or
- (D) TrustComm may terminate the sale of equipment without liability if Customer files a bankruptcy petition or has such a petition filed involuntarily against it, becomes insolvent, makes an assignment for the benefit of creditors, consents to the appointment of a trustee, or if bankruptcy, reorganization or insolvency proceedings are instituted by or against it.

7. Delivery/Risk of Loss/Partial Shipments

- (A) Risk of loss in the equipment shall transfer to Customer upon delivery and delivery will take place when equipment is delivered to the carrier at TrustComm's location. In the absence of specific instructions, TrustComm will select the carrier to whom delivery will be made for shipment. Additional delivery terms for equipment will be mutually agreed to by TrustComm and Customer in advance of shipment.
- (B) Customer agrees to accept partial shipments unless otherwise specified in advance, particularly in cases where the equipment is temporarily out of stock. In the event that ordered equipment is not available, TrustComm will maintain a backorder list compiled by date. As backordered equipment is received from a Supplier, TrustComm will fill orders based on date of order. Customer is responsible for shipping charges for each partial shipment.
- (C) In no event shall TrustComm have any liability in connection with any shipment, nor shall the carrier be deemed to be an agent of TrustComm.

Customer may inspect or test equipment that has been tendered for acceptance. Customer may require repair or replacement of non-conforming equipment at no increase in price. Customer must exercise the post-acceptance rights provided by this Article 9 within thirty

(30) days after a defect is discovered or should have been discovered; and (b) before any substantial change occurs in the condition of the defective equipment, unless the change is due to the defect in the equipment. If Customer fails to reject any equipment within such time, TrustComm may, without liability, refuse to repair or replace the nonconforming equipment and Customer shall be deemed to have inspected and accepted such equipment.

10. Manufacturer's Warranties

To the extent permitted by or available from the third party manufacturer of any equipment, TrustComm will pass through to Customer any warranties provided by such manufacturer.
